

WHOLE HEALTH MEMBERSHIPS

*Best choice and lowest cost per visit
Best option for patients who come in more than twice per month*

Our membership plan allows you and your family to receive accessible and affordable care from a natural approach. The payment method is handled via auto-debit once per month with no monthly commitment. It is a low risk, high reward program built to serve YOU! Let us be your guide to staying healthy and feeling your best!

Just like making time for the gym, getting a massage, or taking time to get your nails done...it is time to take your wellness to the next level. *A time to take care of yourself.* Getting regularly adjusted, working on blocked energy pathways and diving into your nutrition should be at the foundation of your routine. When committing to a healthier lifestyle remember the triad of health.
